

Christian Rousset

Board of Directors
East Bay Regional Park

Dear Board of Directors,

September 8 2022

My wife Denise and I have been working with Edward MacKay and Mona Koh, your Community Relations Manager and Public Affairs for decades with a stellar relationship, distributing your East Bay Regional Park Activity Guide in the 680 corridor.

We are also sponsors and big advocates of the East Bay Regional Park District and the National Park District.

We have been participants and volunteers of the Tow Day Town weekend for 21 years, witnessing a very successful events every year.

We strongly wish this event to continue for years to come with the same spirit and activities, date, time and hours we had in the past, as it reflects a wonderful use of your great park at Lake Del Valle for families, children and elderly with marvelous educational guided tours of your park with Doctor James Hale.

James is a Vertebrate Zoologist, Wildlife Biologist, Ethnobiologist and Ecological Consultant based in Contra Costa County. Please visit his website at: www.dochale.com

Our park lovers are also enjoying camping, hiking, boating and the special quality music from our local selected bay area musicians.

Thank you so much for your consideration in our relationship, believing that this event can be enjoyable to the community and bringing more funding to the Park District.

With Much Gratitude,

Christian Jean Rousset
