I am sending to each one individually.

When I purchased my used motorhome 13 years ago a co worker suggest my first shakedown trip be to Two Day Town. He said my festival neighbors would be welcoming and would help me with any difficulties.

That was so true and the bonus of being within a music community was wonderful. So many talented musicians in the in the daytime and after the the stage performers ended at 10 pm. Volunteers patrolled enforcing the No Drumming after 10 pm rule.

After ten when children were secure in their beds many adults walked around to listen or become part of pop up music groups. All were encouraged to sing along or sway to the music. These pop up groups are where community is built. This is chance for THOSE WHO VOLUNTEER their time to help the event get a chance to participate musically.

Two Day Town is the most wholesome music festival I have attended and it is wonderful to be only a 40 minute drive from home.

Now that I know of Lake Del Valle it has become a picnic rendezvous point for my family from Benicia, San Jose, Fremont and Richmond. Love the park and LOVE THE 10 to 12 pm music jams at TDT.
