To whom it may concern,

Two Day Town is a wonderful, fun, family event. The magic is to be outdoors, enjoying music, crafts, hikes, camping in a safe & beautiful environment, so close to home. Two Day Town is a community of people that share a love of music & the outdoors.

My husband and I attend 6 to 8 music events/festivals in the course of a year. We volunteer at a majority of them. We volunteer at Two Day Town as part of the set up/clean up crew. We are part of 6-10 people that come in early to blow the leaves out of the bathrooms, sweep pathways & pick up debris from people using the park before us.

As former Boy Scout and Girl Scout leaders, we pride ourselves on leaving the park in better condition than when we arrived. We agree with the "leave no trace" philosophy at Two Day Town and are happy that our event coincides with the opening of the park for the season.

Thank you to EBRPD Board of Directors, who help support us having our music event at such a beautiful place.

Sincerely,

Sandy and George Beckham
